

Luders 33 Association Membership Application

If you are not already a member, please join us. We have about 45 of these fine boats in our organization, and we would like to list everyone (106). Dues are only \$15, for which you get a newsletter several times a year and a listing of all members. The newsletter has communications from members about their adventures (send us yours), a letter from the Commodore, notation of scheduled events (we have at least one luncheon per year, and two boat rendezvous -- south and north of Cape Cod) and a technical column with advice about making improvements and solving maintenance problems common to the L-33. Topics have been: selecting the right prop, fitting an inner forstays'l, repairing leaks under the sea hood, etc.

We are a small friendly group, and your suggestions for other activities will likely fall on receptive ears. We enjoy sharing our experiences on good times and good sailing. L-33 hats, burgees, and stationary are also available.

Fill out the information sheet below and send it in with a check for \$15 to our club treasurer and you'll be a member; it's that easy.

Spread the word to other Luders owners.

First Name(s) _____ Last Name _____

Address _____ City _____

State _____ Zip _____ Home Phone _____ W Phone _____ Cell _____

E Mail _____ Home Port _____

Boat Name _____ Color _____ Hull # _____ Year Built _____
